

Saving Our Parish Community Center
“A Gift from Our Past...A Legacy for Our Future”

November 21-22, 2009

Issue #9

We're over \$1,050,000 - from 104 gifts!

The “*Saving Our Parish Community Center...*” campaign has exceeded \$1 million...**our total has risen to \$1,052,100 from just 104 gifts! We've come a long way in a short time, but plenty of work remains.**

The St. Bart's parish community has responded generously thus far, and we encourage those of you who will be contacted in the coming weeks to build upon the momentum. **Everyone's support is needed if we are going to reach our goal, so we encourage all of you to join the success.**

Thanks to our Volunteers...

In the first issue of these campaign updates, we noted our Leadership Committee members. Today, we're listing the remainder of our campaign Volunteer team. We thank everyone involved for their tremendous efforts and encourage them to keep up the outstanding work. **We encourage you to be open and welcoming when one of these volunteers - a fellow parishioner - contacts you.**

When combined with our Leadership Committee members, **over 50 parishioners** are lending their efforts to this campaign. *We can always use more assistance, so we encourage you to join the campaign team!*

Everyone's support is needed...

As noted above, we've come a long way in a short time, but plenty of work remains. Success in this effort is critical to both our parish and our mission. If we are to satisfy our needs, we need the support of all members of the Saint Bartholomew Parish Community.

When you are contacted by a campaign volunteer - *one of your fellow parishioners* - we encourage you to meet with him or her. A number of our campaign volunteers have commented on how much they have enjoyed the personal visits they've made thus far. *The visits are about much more than just a financial contribution; it's a way for all of us to grow closer as a parish.* All gifts are confidential, appreciated, and will be acknowledged.

Have a Happy Thanksgiving!
